Title: CRAWL SPACE VENTILATION SYSTEM

Commissioner for Patents
Mail Stop Patent Application
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INFORMATION DISCLOSURE STATEMENT

Submitted herewith are patents, publications and other information which those associated with the preparation and/or prosecution of the application identified above are aware and may be material to the examination of the application, and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56 and 1.98. These patents, publications and other information are listed on the attached Modified Form 1449 and enclosed herein.

While this Information Disclosure Statement includes information which may be "material" pursuant to 37 CFR 1.56 it is not intended to constitute an admission that any patent, publication or other information referred to therein as "prior art" with respect to the application identified above, unless specifically designated as such.

In accordance with 37 CFR 1.97(b) the filing of this Information Disclosure Statement shall not be construed to mean that a complete search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

This Information Disclosure Statement:

- ☒ X accompanies a new patent application being submitted herewith. 37 CFR 1.97(a).
- ☐ is filed within three months after the filing date of the application or two months after receiving the filing receipt, whichever is later. 37 CFR 1.97(a).
- ☐ is being submitted as the information was brought to the attention of those associated with the preparation and/or prosecution of the application.

- ☐ is being submitted after "Notice of Allowance" and a "Request For Consideration of Information Disclosure Statement Submitted After Allowance" is included.
- ☐ is a "Supplemental Information Disclosure Statement" under 37 CFR 1.99
- ☐ a previous Information Disclosure Statement was filed on _____
- ☐ this Supplemental Information Statement is being submitted as the information was brought to the attention of those associated with the preparation and/or prosecution of the application.
- ☐ is being submitted as new art encountered in the course of prosecuting the subject matter in another country.

The person(s) making this statement is (are):

- ☐ the inventor's signing below

Signature of Inventor

typed or printed name

Signature of Inventor

typed or printed name

Signature of Inventor

typed or printed name

- ☒ the attorney or agent signing below on the basis of
- ☒ the information supplied by the inventor(s)
- ☒ and reviewed and expanded by the agent
- ☐ which has not been reviewed by the attorney/agent
- ☐ the information in the attorney's/agent's file
